Term 1 Week 10

*From the Head's Desk:*

19 March 2026

Dear Parents

We are concluding our second last week of our first term. It has been a very eventful term, filled with many highlights across all aspects of school life. It is also time for us to reflect on the many achievements from our pupils, both in the classroom and on the sports field. These achievements make us proud as staff and naturally, as parents, these achievements of your children, no matter how big or small they may be, are significant milestones in their development as young people. Our school values, as well as our Christian ethos, remain at the core of our school. Our children continue to strive to be the best versions of themselves and every day I am reminded of how happy our children are at Riverview, how friendly and well-mannered they are and how they always aim to please.

Over the past two weeks, our parents have been able to meet with the various class teachers and subject teachers about the progress of their children over this past term. These meetings are always insightful and I must compliment our staff for their dedication and attention to detail around every child in their care. The feedback has been very positive and I do hope that you found these meetings with our teachers to be very meaningful, also highlighting where you can assist us as a school, as the partnership between the teacher and the parent is a vital one.

We look forward to our school play, Oliver with a Twist, next week. This has certainly been a real highlight for our children and all our staff involved in this production. The excitement around the play on our campus is something quite special and I'm sure you as parents are feeling the excitement too. We look forward to your attendance over the three days next week. I have no doubt that Oliver with a Twist will be a huge success. Culture is such an important offering at any school and we will continue to place emphasis on this at Riverview.

Term 2 also promises to be a very eventful term and the term calendar will be shared with our newsletter next week.

Enjoy the weekend and see you at the play next week.

## Sport

The past week, we travelled to Curro Nelspruit to play netball and rugby against them. We played against some tough competition, but the children kept their spirits high and played with lots of grit! Bonolo Dibakwane was internally nominated by the Riverview coaches as the man of the match. We look forward to the season with inspirational players like him. On Friday, 20 March, we will travel to Uplands to play in their netball and rugby festival.

Looking at the week ahead:

20 March: U10-Open Festival @ Uplands.

## Pre-School News

This week our Cubs had a delightful time decorating cupcakes. With frosting, sprinkles, and plenty of imagination, each child turned a simple treat into a colorful masterpiece. Beyond the fun, this activity encouraged creativity and fine motor skills. It was a joyful way to combine learning with a little sweetness!

The Grade 000 children are having so much fun exploring numbers through play-based activities and games.

Puzzle time is a favourite for the Grade 0 children.

How precious is Your lovingkindness, O God! Therefore the children of men put their trust under the shadow of Your wings.
