Champions Inspired by Values

Term 1 Week 7

From the Head's Desk:

26 February 2026

Dear Parents

It is hard to imagine we are in week seven of our first term. Our campus continues to be a busy place for all, from early morning practices for the MJ Zwane Athletics on Saturday to the ongoing play practices ahead of our end of March production, Oliver with a Twist. We continue to offer great variety to our children across every aspect of school life and our staff must take a great deal of credit for this as they continue to look for opportunities for all our children. We also have well established relationships with our other independent schools in our region and although the MJ Zwane athletics meeting will be a competitive day between our independent schools in our region, it is also about collegiality between our schools, something which is very important.

There are so many different exciting events and projects being planned for our school this year. Just this morning we had another successful PA meeting and preparations are well underway towards the hosting of our school golf day on Saturday 25th July at the Malelane Golf Club. This is our major fundraising drive, but a golf day in our town is also about involving our community and local businesses. More details will follow shortly through our marketing department and our social media pages about participating on the day or contributing by way of sponsorship or prizes etc. This would be greatly appreciated by our PA and as we know it takes a real team to make a successful golf day.

The carpark sub-committee continue to make a huge difference and I'm sure you are seeing the new look carpark taking shape. Thanks to the continued efforts of our team and our gardens committee who will be heavily involved in beautifying this space towards the N4.

We wish all our team athletes all the very best for the athletics on Saturday and I have no doubt that many of our children will excel in their respective events. They have worked hard throughout the season and this brings our season to a fitting close. I hope to see many of you watching from the sidelines in Nelspruit on Saturday.

Have a wonderful weekend everyone.

Week ahead:

Grade 4-7 Standardised Test 02 March-06 March: Afrikaans.

Thursday 26 February - League Relay Gala @ St. Peters.

Saturday 28 February - MJ Zwane Athletics @ Hoërskool Nelspruit .

Wednesday 4 March - U/10-Open Fast 5s Netball & Fast 7s Rugby @ Penryn.

Saturday 7 March - Uplands Open Day.

Sport

This past week, our swimmers attended a relay gala at Flamboyant. The swimmers achieved excellent results: U7,8,10 and 11 achieved 1st place in breaststroke and freestyle. The u9 swimmers placed 2nd in breaststroke, backstroke and freestyle, the u12 swimmers placed 1st in backstroke and the open swimmers placed 1st in backstroke and freestyle. Our girls won the medley relay gala and the boys won the ladder relay. We congratulate the swimmers on achieving such excellent results.

This week we are competing in the St Peters Gala. We are looking forward to seeing what the swimmers can do in the pool.

On Friday, Vutomi Mthethwa is traveling to Witbank to compete at the Mpumalanga Schools Athletics Championship. She will be competing for a spot in the national team for long jump. We wish her all the best and look forward to her results.

On Saturday, we are attending the MJ Zwane Athletics Meeting that is hosted by Curro Nelspruit at Hoërskool Nelspruit. This event is the pinnacle of our Athletics season. The athletes have been working very hard and we look forward to their results on Saturday.

OLIVER

with A TWIST!

Tickets

We are very excited that our production of “Oliver with a Twist” is only a month away. Ticket sales are now open! The production will take place over three evenings, the 24th March and 25th March being “Dinner Theatre” evenings where a meal will be served, and the 26th March being seating only, where refreshments can be bought from the tuckshop.

The dinner evenings will include seating at **tables of 12** people. Should you wish to be seated with a specific group of people, please book and pay early, as tables will be sold on a “first come, first served” basis.

Please purchase your tickets and reserve your table with Ann-Marie Rutherford at the front office.

Ticket prices are as follows:

24 and 25 March (Dinner Theatre) – R280 per person.

26 March (General seating) – R80 per person.

Raffle

Thank you to all Riverview pupils and parents for your wonderful support with the raffle sales. The support has been greatly appreciated and very well received so far.

This is just a friendly reminder that all raffle sheets need to be handed in by **6 March**, as we will be drawing the winners at assembly on **9 March**.

Play costumes

Just a reminder that all play costumes need to be ready and at school by **10 March**.

If your child’s costume is already sorted, it may be brought to school on a hanger, clearly labelled with your child’s name.

Riverview Book week 2-6 March

Next week is "Book Week" at Riverview, where we will celebrate books and reading, with some fun activities.

The week will conclude with the children dressing up as a character from a book on Friday 6th March.

Please assist them in trying to co-ordinate a creative costume using items from home (rather than buying).

Grade 7s Mentor Assembly 2026

Congratulations to our Grade 7 pupils who are now officially mentors at school. They are a dynamic, motivated and caring group of young adults and I look forward to seeing them develop and mature over the year as they interact with and guide the younger pupils of our school. Thomas Dreyer gave them such a heartwarming and uplifting message at their special assembly. It was lovely to have the parents attend the assembly and witness their children receiving their badges. The Grade 7's are wearing their badges with great pride.

Pre-School News

Our Cubs have been busy discovering the amazing world of our bodies! Learning how each body part helps us move, play, and grow.

To make the learning extra fun, the Cubs became little builders! Using matchsticks, they created their very own body structures, carefully piecing together arms, legs, head and torsos. It was wonderful to see their creativity shine as they proudly showed off their matchstick people.

Through play, imagination, and teamwork, the Cubs are learning that our bodies are truly incredible. What a joyful week of discovery!

Grade 000 is exploring the vibrant colours of the world through arts & crafts, games and more! From red apples to blue skies, they're learning it all.

Grade 0s had more Buddy fun. We are learning all about getting to know new friends on a weekly basis.

Come, let us tell of the Lord's greatness; let us exalt His name together.
